

**Job Title: SAP Project Manager - SNP Group Japan**

**Location: Tokyo, Japan**

**About SNP Group:**

SNP Group is a global provider of software solutions for digital transformation. With a focus on SAP technologies, SNP helps organizations simplify complex business processes and accelerate their journey to the digital future.

**About the Role:**

As a SAP Project Manager at our company in Japan, you will be responsible for leading and managing SAP implementation projects, ensuring their successful delivery within scope, on time, and within budget. You will collaborate with cross-functional teams and external vendors to deliver high-quality SAP solutions to our clients. This role requires strong project management skills, the ability to work in a matrix environment, and manage multiple projects concurrently. You will also work closely with consultants of different nationalities and scale up to manage cross-border projects.

**Responsibilities:**

- Lead and manage SAP implementation projects from initiation to closure.
- Develop project plans, timelines, and budgets.
- Coordinate with internal teams and external vendors to ensure project deliverables are met.
- Manage project risks and issues and take appropriate mitigation actions.
- Communicate project status, risks, and issues to stakeholders and leadership.
- Ensure project compliance with company policies and procedures.
- Demonstrate good leadership skills and the ability to work in a matrix environment.
- Manage multiple projects concurrently.

- Work effectively with consultants of different nationalities.
- Scale up to manage cross-border projects.

**Requirements:**

- Bachelor's degree in a relevant field.
- Minimum of 5 years of experience in SAP project management.
- Strong understanding of SAP modules and functionality.
- Excellent communication skills in English and Japanese, both written and verbal.
- Ability to work effectively in a multicultural environment.
- PMP or PRINCE2 certification is a plus.

**Benefits:**

- Competitive salary.
- Health insurance and other benefits.
- Opportunity to work on challenging SAP projects.
- Growth opportunities within the company.

**Language Skills:**

- Proficiency in Japanese and English is required.

**How to Apply:**

Interested candidates are invited to submit their application, including a resume and a cover letter detailing relevant experience and achievements. Please send your application to [Applications.japac@snpgroup.com](mailto:Applications.japac@snpgroup.com).
